CONTRACT VEHICLES:

ESTABLISH AN 8(a) SOLE SOURCE CONTRACT IN 5 SIMPLE STEPS

The **Small Business Administration (SBA) 8(a) Sole Source** vehicle enables agencies to engage in direct-buy contracts with certified contractors, streamlining and simplifying the acquisition process for Contracting Officers and Federal agencies. Oneida Network Infrastructure's SBA 8(a) business development certification is valid through March 2033. As per FAR 19.805-1(b)(2) and 13 CFR 124.506(b). As a tribally-owned 8(a) certified firm, ONI can accept Sole Source Awards up to \$100 million.

- 1** Government Program Manager develops statement of work, prepares government estimate, and obtains necessary funding.

- Through direct discussions & negotiations with Oneida, Government Program Manager selects Oneida to perform work and submits a procurement request to agency Contracting Officer.

2

- 3** Agency Contracting Officer contacts Oneida's SBA Business Development Specialist, Mr. Stephen Barr (Syracuse District) at stephen.barr@sba.gov or 315.471.9393 x249. Contracting Officer submits Offer Letter to SBA for the designated scope of services that Oneida will perform.

4

- SBA processes Offer Letter and returns it to Contracting Officer who submits the Statement of Work & Request for Proposal (RFP) or Quotation (RFQ) to Oneida.

- Oneida submits the proposal which is evaluated and negotiated (if necessary) by the agency and the contract is awarded.
