

RAPID & RELIABLE EXECUTION

Financially secure. Oneida Innovations Group (OIG) is an instrumentality of the Oneida Indian Nation, a sophisticated Indian nation that owns and operates several multifaceted business enterprises.

Rapid solutions. With the resources to procure, recruit, and mobilize quickly, coupled with eligibility for streamlined 8(a) acquisition, we can execute contracts with minimal ramp-up time and zero mission impact.

OCONUS Experience. We have prime contract experience working with multiple agencies both foreign and domestic to coordinate exporting and service delivery in-country.

Innovation & Modernization. Our combination of experience in DoD and commercial industries uniquely positions us to enhance and improve customer operations. The missions may vary, but the underlying technology and expertise is relevant and transferable from the boardroom to the battlefield.

ESTABLISH AN 8(a) SOLE SOURCE CONTRACT IN 5 SIMPLE STEPS

The Small Business Administration (SBA) 8(a) Sole Source vehicle

enables agencies to engage in direct-buy contracts with certified contractors, streamlining and simplifying the acquisition process for Contracting Officers and federal agencies. Oneida Technical Solutions' (OTS) SBA 8(a) business development certification is valid through July 2024. As per FAR 19.805-1(b)(2) and 13 CFR 124.506(b), OTS, a Tribally-Owned 8(a)-certified firm, can accept Sole Source Awards up to \$100 million.

- **Step 1.** The Government Program Manager develops a statement of work, prepares government estimate, and obtains the necessary funding.
- **Step 2.** Through direct discussions and negotiations with OTS, the Government Program Manager selects OTS to perform the work and submits a procurement request to the agency Contracting Officer.
- **Step 3.** The agency Contracting Officer contacts OTS' SBA Business Development Specialist, **Mr. Stephen Barr** (Syracuse District) at stephen.barr@sba.gov or **315.471.9393 x249**. Ultimately, the Contracting Officer will submit an "Offer Letter" to the SBA for the designated scope of services that OTS will perform.
- **Step 4.** SBA processes the Offer Letter and returns it to the Contracting Officer who submits the Statement of Work and Request for Proposal or Quotation to OTS.
- **Step 5.** OTS submits the proposal which is evaluated and negotiated (if necessary) by the agency and the contract is awarded.
